Catholic Education Service
Supporting Catholic Education Since 1847

THIS WEEK'S SECOND COLLECTION is for the Catholic Education Service (CES) acts on behalf of the Catholic Bishops' Conference to support Catholic education. We have a strong and positive working relationship with the British and Welsh Government, sharing the aims of high academic standards for all and increased parental choice.

There are over 2000 Catholic schools, academies and colleges in England educating over 800,000 pupils. The Catholic Church and the Church of England together provide one-third of all of the schools in the country.

Quote of the Week : When you are weary of praying, and do not receive, consider how often you have heard a poor man calling, and have not listened to him.
