## THE WORD THIS WEEK

An awkward set of readings to sit through as a priest today! The more responsibility we have for the flock of God, the more is demanded of us. But for all God's people, there is the need for constant vigilance, to be on guard against hypocrisy and complacency, the two greatest threats to our living God's way and not our own, self-serving way. This is a prelude to the end: for the next three weeks we will think about the end of the world and the judgement that awaits. This Sunday's readings should begin to encourage us not to fear and dread that day, but to look forward to it, by putting our lives in order and living as the Lord showed us.
