THE WORD THIS WEEK

Watch early for wisdom: wise words, and ones that the foolish bridesmaids of the Gospel should have taken to heart. This is the ultimate in putting off till tomorrow..., since the reading is about the end of time, when the Son of Man will come again. Then there will be no tomorrow. If a thing is worth doing, it's worth doing today. Quite often we contemplate the end of time with anxiety and fear: this is not what God wants. Look at the Psalm, where we hear of desperate longing, a thirst for the Lord, that cannot wait. We should not just wait for the Lord with patient endurance, but with impatient longing: what could we desire more than the coming of the Lord, the rising of the dead and an eternity of joy and glory?
