SCHOOL MASSES change their day from Monday to Tuesday this year. This month there will be a School Mass Tuesday this week for Unity of Christians as we approach the Octave of Christian Unity which begins on Thursday. It is always good to see parents, grandparents and members of our congregation at School Masses. Do come along yourself if you are free.

The Week of Prayer for Christian Unity is from the 18th to the 25th January. The themes this year focus on issues addressed by the churches of the Caribbean. Human trafficking and modern-day slavery continue to be huge issues. The debt crisis has a negative impact upon the nations and upon individuals The Caribbean Churches work together to heal the wounds in the body of Christ. The prayer below is approved by the Pontifical Council for Promoting Christian Unity. You may like to use it yourself during the Octave.

God, One in Three Persons, in Christ you have made us one with you and with one another. Be with us now and by the power and consolation of the Holy Spirit, free us from the self-centredness, arrogance and fear that prevent us from striving towards the full visible unity of your Church. Amen.

LEPRA is an international charity working to beat leprosy. If left untreated, this disease causes life-changing disabilities. But there is a cure. I have invited Lepra to send us a speaker over the last weekend of January and there will be a retiring collection on January 27 & 28th. *Fr Bernard*

Quote of the Week : If we love God, inasmuch as we come near to Him by love of Him, so we become united by love with our neighbours, and inasmuch as we are united with our neighbours, so we become united with God. *Cardinal Mercier 1920*

Have a Chuckle On safari in Africa a man removes a thorn from an elephant's foot. Twenty years on, the same man is watching a circus pass by. When the elephant gets level with him, it stops, looks straight at him, reaches out with its trunk, lifts him bodily into the air, smashes him on the ground and jumps on him. *It was a different elephant.*
