## THE WORD THIS WEEK

We begin our Lenten journey at the decisive moment of the flood, when God establishes his first Covenant with man, in the person of Noah. Noah was saved from the waters, while we (as Saint Peter points out) are saved by the waters of Baptism. This is the Covenant we live in, thanks to Christ, who came to establish this “new and eternal Covenant in his blood”. He is the only one who can do this, because he is without sin, despite “having been tempted in every way that we are”.
