Sunday 25 February
Second Sunday of Lent

"With God on our side who can be against us?" These are the words of St Paul in his letter to the Christians in Rome and just as they must have provided inspiration to them so it is for us too an important reminder of what God has done for us. In the First Reading today the heart-wrenching moment for Abraham to follow God's instructions to the letter reminds us that our faithfulness to the will of God is rewarded by the power and strength to remain firm in our faith that only He can save us. For his faithfulness Abraham received the reward of God's blessing for himself and his descendants who could also say: "With God on our side who can be against us?" This second week of Lent will find us seeking God's many blessings to help stay firm in faith through the ups and downs which life brings. Every blessing, Fr John

GENERAL NEWS

Dementia Prayer Week, now in its tenth year, runs from **12-19 March**. There are resources available for schools and care homes from the Pastoral Care Project on its website www.pastoralcareproject.org.uk. Bishop David McGough has written the following prayer for us to pray at this time:
Loving Father, you are close to the broken hearted. Look with compassion on those whose lost memories have robbed them of home and belonging. Comfort and strengthen those who care for them. May they make their home in You. This we ask through Christ our Lord. Amen.
