THE WORD THIS WEEK

As we follow through the Gospel of Saint Mark we come to an important turning point this week: after the preaching, the miracles and the journey so far, Simon Peter publicly recognises Jesus as the Messiah. But there is an important point, which is brought out by the choice of first reading today: this Messiah is a king who is destined to be rejected and killed. Jesus knows this very well, and rebukes Peter when he tries to lead him on a different path. From this point on, Saint Mark's Gospel leads to the cross: Jesus himself accepts his own cross, and reminds all his followers that the cross is a part of following him. If we are considering the question "Who is Jesus?", these scripture passages give us a deep insight into the mission of salvation that he accepts for us.
