THE WORD THIS WEEK

In today's story of the rich young man, who comes to Jesus full of good intentions, there are some simple words that speak so clearly to our own age: when Jesus tells him to sell every-thing and give it to the poor, his face fell at these words, and he went away sad, for he was a man of great wealth." How sad it is that such a keen (he runs up to Jesus), and by all accounts good young man (whom Jesus loves) could not free himself from the one thing that was holding him back his dependence on money. Jesus' words How hard it is... perhaps indicate his own sadness that the young man could not free himself from this. Jesus teaching was new - as the disciples reaction shows. In Israel at the time, riches were thought to be a blessing from God. But as Jesus knew and taught, holding on to anything that passes away can distract us from holding on to things that are eternal.
