THE WORD THIS WEEK

It's often the case that the values of the Gospel contradict the values of the World sometimes to the extent that the one is the exact opposite of the other. Today is a typical example: greatness and prominence, success and victory, these are goals that the world has very clear ideas about. The Gospel, however, redefines them: Gospel success is Worldly failure: the Gospel's way of greatness is the World's life of service; and what the World sees as death and failure is in fact life and victory. It's this contrast that we see in the Gospel reading today, where out of a possibly innocent (but possibly sycophantic) question, a debate emerges about prominence and greatness. Jesus makes it clear that his greatness is different to that sought among the pagans - he will give his very life, and so become the first of all. We should take his words about the worldly way of behaving to heart: This is not to happen among you.

Live simply tip - October: Use energy saving bulbs and turn off lights when leaving a room
