Psalter Week 2

THE WORD THIS WEEK

Life is often about picking our way through opposites - choices and decisions that surround every moment of every day: should I do this or that, choose this way or that way, and so on. Just as there are choices on either side, so there are opposing consequences blessings and curses, in the language of the first reading, happiness and woe in the language of the Gospel. In Saint Luke's version of the Beatitudes, we see Jesus setting out very clearly the teaching that life is about choices, and that we must take control, and be responsible for the life we choose, or even the conditions of life that we embrace or accept.
