Have a Chuckle: Father O'Bubblegum noticed a parishioner was enjoying some tasty smoked sausage on a Friday during Lent—a strick no-no in the church. He told the man for his penance he must bring a load of wood to the church to help repair the roof. The man grumbled, but went off to do his penance. The next Friday he was seen dumping a huge pile of sawdust near the church. The priest told him his penance was a load of wood, not sawdust. The man replied "Well, if that sausage I ate was meat, then this sawdust is wood."
