The numbers coming to Mass at present do not justify the resumption of the Saturday evening Mass. We will review the situation again at the end of the month.

Who is shee that assends so high
Next the heavenly Kinge,
Round about ahome angels flie
And her prayeses sing?

Who is shee, adorned with light,
Makes the sunne her robe,
At whose feete the queene of night

Layes her changing globe?

To that crowne direct thine eye.
Which her heade attyres;
There thou mayest her name discrie
Wrytt in starry fires.

This is shee in whose pure wombe
Heaven's Prince remained;
Therefore in no earthly tombe
Cann shee be contained.

Heaven she was, which held that fire
When the world tooke light,
And to heaven doth now aspire,
Flames with fflames to unite.

She that did so clearly shyne
When our day begunne,
See, how bright her beames decline
Now she sytts with the sunne.
