THE WORD THIS WEEK

Today we focus on the vineyard: frequently we see the vineyard as an image or parable of the Kingdom of God. A vineyard takes a great deal of work, throughout the year; it must be tended, watered, pruned, cared for if there is to be any fruit - there are no quick results with vines. So the financial and labour investments made would create high expectations for a good crop. How heartbreaking when the fruit is as sour as vinegar! So it was with God and his people: he invested immense care and love on them, tending them and giving them what they needed - but the fruit was rotten and sour. What can God do? Hand the vineyard over to some tenants who will bring in a harvest. That is us, the new people of Israel: but what sort of harvest will we produce?
