THE WORD THIS WEEK

'Watch early for wisdom': wise words, and ones that the foolish bridesmaids of the Gospel should have taken to heart. This is the ultimate in 'putting off till tomorrow...', since the reading is about the end of time, when the Son of Man will come again. Then there will be no tomorrow. If a thing is worth doing, it's worth doing today. Quite often we contemplate the end of time with anxiety and fear: this is not what God wants. Look at the Psalm, where we hear of desperate longing, a thirst for the Lord, that cannot wait. We should not just wait for the Lord with patient endurance, but with impatient longing: what could we desire more than the coming of the Lord, the rising of the dead and an eternity of joy and glory?

Church opening: St Mary's will be open during daylight hours (except when Mass is being celebrated) Please use the sanitizing equipment to clean where you have sat. Alternatively, bring your own wipes. There will also be labels available to put where you have sat so that stewards know where to clean.

Places of worship are permitted to remain open and to attend a place of worship is listed as a reasonable excuse to leave home. It is important that a generous provision is made to open our churches for substantial amounts of time. Priests are encouraged to maintain a presence in their open churches, making themselves available to talk with those who attend for individual prayer. These days are not easy, but during the time the Regulations are in force it is vital that the best and effective use of our churches is made, for the good of the faithful and wider society. (from Bishops' Conference guidelines)

Operation Christmas Child Please return your filled boxes to church. A new date in December is now anticipated for collection.

T4U Christmas Boxes-St Charles

SAINT OF THE WEEK

Pope Leo the Great: elected 440 died 461

Leo was a true shepherd and father of souls. He constantly strove to keep the faith whole and strenuously defended the unity of the Church. He repelled the invasions of the barbarians or alleviated their effects, famously persuading Attila the Hun not to march on Rome in 452 and preventing the invading Vandals from massacring the population in 455. Leo left many doctrinal and spiritual writings behind and a number of them are included in the Office of Readings to this day.
