Mass is Livestreamed at St Mary Immaculate

THE WORD THIS WEEK

How fitting that on this day of celebrating Christ as the one who ushers in the Reign of God, the dominant image in today's readings is that of shepherd: one who leads by accompaniment, who gives rest to those exhaling a laboured breath, who searches for and brings home what was lost, who heals broken hearts and fragile spirits. Perhaps not the kind of kingdom we would have imagined, but surely the kind of shepherding that is at the heart of God's reign.

SAINT OF THE WEEK

St Catherine of Alexandria (d. 305)

Legend says that St Catherine was very outspoken at the time of the persecutions of Christians. She even protested openly to the emperor Maxentius who had her arrested, tortured on the wheel and decapitated in 305. St Catherine's courage is a great challenge to all African Christians in their struggle for justice and peace. The witness of her life and her readiness to die for the faith encourages us to be brave witnesses to the Lord and to speak out on behalf of all those who suffer.
