Have a Chuckle Fr O'Bubblegum had two people on his doorstep trying to convert him from eating white bread to brown. "They must be The Hovis Witnesses" he thought.

A Harvest Hymn from Fr Bernard :

1. Father now we sing your greatness
As our harvest hymn we raise.
You in love created all things,
All your creatures give you praise.
By your Spirit you redeemed them
Out of chaos, Lord, they came.
Alleluia, alleluia,
Lord we magnify your name.

2. As we gaze on your creation
Lord, we see your grace and power :
In the vastness of the ocean,
In the frailty of each flower :
Whether great or small you made them
And you love them all the same.
Alleluia, alleluia,
Lord we praise your holy name.

3. Lord, you fixed the times and season :
Summer, Autumn, Winter, Spring :
And the fruits of this year's harvest
To your throne in thanks we bring.
And we lay them at the altar
As our grateful songs we sing,
Alleluia, alleluia,
We proclaim you as our King.

4. Bread to feed us, wine to cheer us,
Oil to make our faces shine,
And the first-fruits of Redemption :
Jesus Christ your Son divine.
For the gift you shower on us
Lord, we lift our voices high.
Alleluia, alleluia,
Praise the Lord your people cry.
